Information About:

- Active Keys
- E-keys
- iBoxes

ACTIVE KEYS

To Obtain an Active Key, each member must personally appear in the Associations office to purchase their key. Please note that Supra keys are **LEASED** and must be returned to RSAOR if you are no longer using them or are not an active agent. If you are an agent who wishes to transfer to another association, you will need to bring your key in to be transferred out.

Some of the features include:

- Wireless updates deliver showing data immediately, continuously, and automatically.
- Seamlessly connects across ALL cellular towers to provide the BEST coverage. Stays updated so you can open iBoxes even where there is no cell coverage.
- Bright backlight makes display window and keypad easy to see in low light
- Flashlight illuminates dark doorways
- Displays short messages from Board, Association, MLS or broker
- May add Secure Token MLS access
- NO CRADLE!

Key Access in the following areas:

- SOCAL MLS
- I-TECH
- MRMLS

Ekey

Over 30 different handheld devices have been approved for use as an eKEY. Supra automatically sends vital data to your eKEY every night. To use your PDA or smartphone as your key, you will need to come into the Association office to obtain a serial number, an authorization code, and the type of service you would like. Supra offers a basic service for \$13.95 plus tax and a professional service for \$23.95 plus tax.

Professional Service:

- Program Keybox access hours
- Get electronic notes from agents who have shown your listings indicating level of client interest.
- Receive fresh showing information everyday.
- Automatically retrieve fresh MLS information address, buyer needs.
- Beam specific notes, listing highlights and your business card into your iBoxes.
- View maps at the tap of a button.
- Calculate mortgages on the spot.
- Track your KeyBox inventory by number, shackle code and address.

Basic Service:

- Beam specific showing notes, listing highlights and your business card into your iBoxes.
- Change your own shackle codes.
- Track your keybox inventory by number, shackle code and address.
- Easy to read screen and buttons.
- Electronically send buyer's feedback to fellow agents.

IBox

Supra iBoxes are a convenient and secure way to put your clients at ease. Infrared keys communicate to the iBox by pointing them at a distance of up to three feet. Only authorized agents can have access to the iBoxes and the activity of your iBox can be viewed by logging onto www.supraekey.com under "KIM WEB." Supra iBoxes can be obtained at the Association office for \$99.00 (one time fee) and in contrast with the ACTIVE key, they are NOT leased.

Features & benefits:

- Helps agents better serve their clients by giving them greater flexibility and control over access to listing keys.
- Provides a reliable system for security during the real estate selling process.
- Tracks buyer's agent showings.
- Allows three different access times to better fit your client's schedule.
- Electronic notes, flyers and business cards are stored in the iBox for showing agents.
- Stores last 100 accesses
- Stores 3 Keys
