

## Meet Marla Carriere and her grandsons...

*Marla has lived in the tiny 844 sq foot Bellflower house that she and her grandsons (aged 6 and 9) call home since she was 14.*

*Marla is the sole support for her grandsons. She has rheumatoid arthritis, diabetes, asthma and high blood pressure. She lives on her disability income of \$870.00 per month and shops at the local food bank. Her mortgage balance is minimal and it is current. During the last rain they had to put 58 buckets around the house due to the leaky roof, and still part of the ceiling collapsed.*

Rain damage as seen from inside the home

*Pictured with Marla and her grandsons are some of the members of RSAOR's **REALTORS for ROOFS** committee: Lisa Woodson, Kathy Gardiner, Ray Fernandez, Sue Piccolini, Ruth Hayles and Yvonne Dowland.*

Members of the Rancho Southeast Association of REALTORS® are spearheading a neighborhood revitalization program called '**REALTORS® for ROOFS**'.
